Mail Stop Amendment

Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

Sir:

In response to the Notice of Non-Compliant Amendment mailed August 11, 2008, entry and consideration of the following amendments and remarks are requested.

In Fig. 5, the details that are alleged to be lacking in the drawings are present in the replacement drawings presently submitted for the Examiner's consideration. Applicants submit that details are lacking because of the poor resolution used when their papers are scanned by the PTO. Therefore, this paper is being electronically filed to avoid the scanning step. These drawings are labeled "Replacement Sheet" as required.

Approval of the **Drawing** corrections and entry of replacement **Drawing** sheets are requested on page 2.

The **claims** are presented on pages 3-9.

Claims 5 and 10 are amended.

Remarks begin on page 10.
